

INFINITY JUNIOR GOLF TOUR

CORE VALUES

INTEGRITY FIRST

Golf is a game of honesty. We play fair, call our own penalties, and carry this integrity into our daily lives.

RESPECT ALWAYS

Respect for the game, the course, coaches, fellow players, and most importantly, ourselves. Respect builds character and friendships that last a lifetime.

HARDWORK & DISCIPLINE

Success comes from consistent practice, discipline, and dedication. Every shot on the course teaches us about effort and patience.

PASSION FOR GROWTH

We play with joy and passion, constantly striving to learn, improve, and grow—both as golfers and as individuals.

FIGHTING SPIRIT

No matter the score, we keep going. We never give up, bounce back from setbacks, and fight with courage and heart.

SELF-CONFIDENCE & LOVE

We celebrate who we are. Each junior learns to believe in themselves, play with confidence, and carry that self-love into everything they do.

GRATITUDE

We thank our parents, coaches, volunteers, clubs, and partners who make this journey possible. Gratitude keeps us grounded.

FRIENDSHIP & COMMUNITY

We play together, celebrate together, and build friendships that go beyond the fairways. The Tour is a family.

CELEBRATING THE JOURNEY

It's not just about trophies. It's about the fun, the laughter, the shared memories, and the lessons learned along the way.

BEYOND THE GAME

The values we practice on the course—respect, honesty, perseverance, and kindness—shape us into better humans off the course.
